

## An Old Memory

Small circular round  
Ebony brown tint,  
Slashes weaving around it  
Like snakes writhing on a tree  
Velvety, smooth  
An elephant's tusks

A little ring of memories  
Brings back nostalgic times  
A different time and place,  
Sizzling, softly  
Grandma cooking on the stove

Cherished memories like exotic treasures  
Scattered  
Old times young and free  
A different time, a different place  
A different person.
