

Baby Socks, My Baby Socks

Baby Socks My Baby Socks,
Are colourful and bright, you tie them up so you can wear them tight tight tight,
The colours that it features, are green yellow pink, and blue,
My granny made them for me,
They were made long ago for me to wear to sleep,

Baby Socks My Baby Socks,
I still hold them at night and pretend that they still fit me,
They are snug at night,
Whenever I look at them they remind me of her,
Her grey hair, her smile and her love for me, and my family

Baby Socks My Baby Socks,
I try not to look at them all the time,
They will remind me of her and make me cry,
Happy tears never sad,
She was amazing and so are they,

Baby Socks My Baby Socks,
They are small they won't fit me now,
I wish they fit and I wish she was here right now to see what I have here for her,
My socks are the best thing that she has ever made for me,
They are special, and they are mine.
