

Burn FireBlaze, the Secreted One

A gleaming, uranium pirouetting top
Naming itself Burn FireBlaze, as its pulse
Burn Fireblaze
is impetuous, fiery and metallic
He is
violent, minute and blazing
It feels
frosty, smooth and at the same time
rough
When I'm with him
I feel
strong, aggressive
and... proud
He's
minute although
irascible
He's... long-lasting
But after all
it's my favourite toy and is still being...
treasured by me

Jordon, Year 4
Carlton Public School
