

## My Treasure

Pale green melon,  
smooth and warm,  
precious and glittering,  
my glowing present.

Brings me happiness  
when I feel sad and blue,  
whispering joy from every inch.

Brings me pure memories  
from now and then.  
Feels like  
it's always smiling  
at me.

I'll never forget  
my irreplaceable  
jade.
